**RE: Lewis v. Account Resolution Services, LLC**  
Case Number: 2:20-cv-3159

Dear Judge Younge:

I represent Plaintiff Yarisa Lewis in this matter. Plaintiff hereby respectfully request the Court grant an extension of the deadline to respond to ARS Account Resolution Services' Motion to Quash service. Plaintiff respectfully requests an extension of time to respond until December 29, 2020. This motion, served the day before Thanksgiving, requires investigation into the facts of the service, which require more time. Plaintiff has conferred with counsel for ARS Account Resolution Services, who does not oppose this request.

For this reason, Plaintiff respectfully requests an extension of time to oppose the motion until December 29, 2020. Thank you for your attention to this matter.

Respectfully submitted,

/s/ Nicholas Linker
